

# Don't Keep Me Lonely Too Long

Connie Smith

Life sure gets lonely alone no one to talk to along  
Nights sure get longer since you've gone don't keep me lonely too long  
I need your arms to hold me and hear you say you need me  
Don't let me live on dreams alone don't keep me lonely too long  
Memories of faithful one so lonely  
My tortured heart cries out because it loves and wants you only  
Yes I'm too lonely alone afraid of being alone without your love I can't go on  
Don't keep me lonely too long don't keep me lonely too long
