

For Goodness Sake It's Love

Connie Smith

Well I'll declare all over things well I a real life walkin' dream

Would you believe it just can't be for goodness sake it's love and it's lookin' at me

I feel like flyin' up to the clouds I feel like laughin' and singin' out loud

Well bless my soul in heaven's name for goodness sake it's love and it's lookin' at me

I feel like flyin' up to the clouds and I feel like singin' and laughin' out loud

Well bless my soul in heaven's name for goodness sake it's love and it's lookin' at me

Well I'll declare all over things for goodness sake it's love and it's lookin' at me
