I'll Share My World With You

Connie Smith

I'll share my world with you everything that I own My earthly possessions there's no good if I'm alone Let me bring you the sunshine when it's fresh with morning dew Can't you see that I'm waiting to share my world with you I'll share my world with you if you'll be mine alone I'll give you a new heart you're the only love it's known Let me give you my two arms they'll be happy if you do Can't you see they are waiting to share my world with you I'll share my world with you everything that we see Divide all the mem'ries one for you and one for me Let me give you my two lips they'll be smiling if you do Can't you see they are waiting to share my world with you Can't you see they are waiting to share my world with you
