

# I Will

Connie Smith

I don't wanna be the one to say I'm gonna miss you but I will  
I don't wanna say I'm gonna cry out my eyes baby but I will  
I'm not ashamed for you to know how much I really love you so  
Cause it was such a thrill  
And just remember when you're gone there'll be that someone  
Sad who loves you still  
You will look at her and see me smiling back at you I know you  
will  
You will find yourself repeating the things we used to do I know  
you will  
Don't wonder if you want to come back just got running home to  
me  
And let me feel that thrill  
Cause I'm the one who told I would love you dear forever and I  
will  
Oh I will you know I will

Don't wonder if you want to  
I'm the one who told I would love you dear forever and I will I  
will
