

It Only Hurts For A Little While

Connie Smith

It only hurts for a little while that's what they tell me that's
what they say
It only hurts for a little while then all your heartaches will
fade away
It's so easy to be smart with somebody else's heart
But I don't know how to start forgetting you what can I do
Oh it only hurts for a little while that's what they tell me ju
st wait and see
My heart will break till you come back to me

My heart will break till you come back to me
(It only hurts for a little while)
