## It Only Hurts For A Little While

## **Connie Smith**

It only hurts for a little while that's what they tell me that's what they say

It only hurts for a little while then all your heartaches will fade away

It's so easy to be smart with somebody else's heart
But I don't know how to start forgetting you what can I do
Oh it only hurts for a little while that's what they tell me ju
st wait and see

My heart will break till you come back to me

My heart will break till you come back to me (It only hurts for a little while)
