

It's Such A Pretty World Today

Connie Smith

It's such a pretty world today I look at the sunshine
(Look at the sunshine)
And every day's the same since I met you
It's such a pretty world today knowing that you're mine
(Knowing that you're mine)
And happiness is being close to you

And though the rain may fall our skies will all be blue
If I look close enough the sun will come shining through

It's such a pretty world today look at the sunshine
(Look at the sunshine)
Today and every day since I met you

(It's such a pretty world today look at the sunshine)
And every day's the same since I met you
(It's such a pretty world today knowing that you're mine)
And happiness is being close to you

And though the rain may fall our skies will all be blue
If I look close enough the sun will come shining through

It's such a pretty world today look at the sunshine
(Look at the sunshine)
Today and every day since I met you
(Look at the sunshine)
Today and every day since I met you
