

# My Whole World Is Falling Down

Connie Smith

My whole world is a falling down falling down falling down  
My whole world is a falling down I'm losin' my baby

You told me that your love for me was true  
Said you would love your whole life through  
But now you're asking me to set you free  
You found somebody you love more than me  
My whole world is a falling down

Where did she come from what's her name what did she do to set  
your heart a flame  
I'm all alone while she's with you you're having fun my heart's  
breaking in two  
My whole world is a falling down

I miss your loving that was so fine I need it I need oh all the  
time  
I still love you in the same old way but I'm losin' you a littl  
e more every day  
My whole world is a falling down  
My whole world is a falling down
