

# There Goes My Everything

Connie Smith

I hear footsteps slowly walkin'  
As they gently walk across a lonely floor  
And a voice is softly sayin'  
"Darling, this will be goodbye forever more"

There goes my reason for livin'  
There goes the one of my dreams  
There goes my only possession  
There goes my everything

As my mem'ry turns back the pages  
I can see the happy years we had before  
Now the love that kept this ol' heart beatin'  
Has been shattered by the closin' of the door

There goes my reason for livin'  
There goes the one of my dreams  
There goes my only possession  
There goes my everything

There goes my reason for livin'  
There goes the one of my dreams  
There goes my only possession  
There goes my everything

There goes my only possession  
There goes my everything
