

Think I'll Go Somewhere And Cry Myself To Sleep

Connie Smith

I just kissed the one I love for the last time never has his soft lips felt so sweet
He's gone away and won't be back forever
Think I'll go somewhere and cry myself to sleep
I'll go somewhere and cry myself to sleep not because I'm sad but cause I'm weak
I can't stand the thought of life alone without him
Think I'll go somewhere and cry myself to sleep
Just before he said goodbye he called me darling
And slowly ran his fingers down my cheek
I thought I'd die when he said he still love me
Think I'll go somewhere and cry myself to sleep
Think I'll go somewhere
I'll go somewhere and cry myself to sleep
