

Just In Case

Conor Maynard

So crazy to see you smiling,
Heard he makes you feel incredible,
But I don't wanna hear about it,
Cause I'm the fool that let you go,
I wish that I could turn away,
I can't watch him in my place,
Maybe I'm just jealous

So baby just in case he makes the mistakes that I did,
And he don't see what I miss

Just promise me you won't forget,
You don't have to settle for less,
Promise that you'll never never never (never) eh-eh ever ever ever,
Promise that you'll never never never (never) eh-eh ever ever ever,
Ever forget me

He tells you that he loves you,
You never heard that before,
Can't figure how you ended up with him,
But I guess that was my fault
I wish that I could turn away,
I can't watch him in my place,
Maybe I'm just jealous

So baby just in case he makes the mistakes that I did,
And he don't see what I miss

Just promise me you won't forget,
You don't have to settle for less,
Promise that you'll never never never (never) eh-eh ever ever ever,
Promise that you'll never never never (never) eh-eh ever ever ever,
Ever forget me

I'm not try'na get involved,
Girl I just wanna let you know,
That if you ever let him go,
I'll be here waiting for you,
Even though I wanna turn away,
I know my heart is gonna stay,
Cause they got nothing on you

So baby just in case he makes the mistakes that I did,
And he don't see what I missed

Just promise me you won't forget,
You don't have to settle for less,
Promise that you'll never never never (never) eh-eh ever ever ever,
Promise that you'll never never never (never) eh-eh ever ever ever,
Ever forget me
