

## In My Sights

Conor Oberst

I can't  
I can't wait to see you again  
I can't wait to see you again  
I've been waiting,  
I've waited all week,  
I have waited all week  
And I can't wait to see you again, again  
And everything is fine when you're around  
I can't wait anymore, anymore  
Anymore
