

Cry Baby Heart

Conway Twitty

I'd say that I don't worry
And our parting brought no pain
I'd say that I'd be happy
If we'd never meet again

About the time I get 'em fooled
And think I'm really smart
I realize that I can't hide
My cryin' baby heart

Cry baby heart
I wished you were at home
So I could really laugh and say
I'm better off alone

But like an actor cannot play
I fumble through my part
I realize that I can't hide
My cry baby heart
