

Don't Put Your Hurt In My Heart

Conway Twitty

Don't put your hurt in my heart
Stop what you're planning before you start
Yes I loved you once it's true but now I'm over you
Don't put your hurt in my heart

Don't put your burning in my eyes
Cause the burning only stops when I cry
Once my teardrops fell like rain washed away the burning flame
And it washed all your hurt from my heart

Don't put your sorry in my mind
Cause it's useless and you're only wasting time
I got over you before I can't chance it anymore
Don't put your hurt in my heart don't put your hurt in my heart
