Games People Play

Conway Twitty

Oh the games people now every night and every day now
Never meanin' what they say now never sayin' what they mean
So they wile away the hours in their ivory towers
Till they're covered up with flowers in the back of a black lim
ousine

Lotten da la da da lotten da la a dee de dee Talkin' bout you and me and the games people play

Oh we make one another cry break a heart then we say goodbye Cross our hearts and we hope to die that the other one's to bla me

But neither one will ever give in so we gaze at an eight by ten Thinkin' bout the things that might have been and it's a dirty rotten shame

Lotten da la da da...

People walkin' up to ya singing glory hallelujah
And they're tryin' to sock it to ya in the name of the Lord
They're gonna teach you how to meditate read your horoscope and
cheat your fate

And furthermore to hell with hate come on and get on board Lotten da la da da...

Look around and tell me what you see what's happened to you and $^{\rm me}$

God grand me the serenity to just remember who I am Cause you've given up your sanity for your pride and your vanit y

Turn your back on humanity and you don't give a lot Lotten da la da da...
