

# Goin' Home

Conway Twitty

(I'm going home)  
Yes, I'm going home, (going home)  
Back to where I belong (I'm going home)  
Yes, I'm going home, (going home)  
Been away too long (I'm going home)  
Since I've been everywhere (going home)  
Uh Ugh my friends are there (I'm going home)  
I'm going back to stay, (going home)  
I'll soon be on my way (I'm going home)  
And this you can believe  
That I'll never ever leave. (I'm going home)

Yes, I'm going home, (going home)  
Never more to roam (I'm going home)  
Yes, I'm going home, (going home)  
Back where I belong (I'm going home)  
Yes, I'm going home, (going home)  
Never more to roam (I'm going home)  
My friends all hope and pray, (going home)  
That I come back someday (I'm going home)  
And if I find my way, (going home)  
It's there I'm gonna stay (I'm going home)  
No matter where you are,  
They'll never be to me  
A place like home. (I'm going home)

Yes, I'm going home, (going home)  
Never more to roam (do wah wah)  
And if you don't believe, (do wah wah)  
That I, I'm gonna leave (do wah wah)  
Just stand there (do wah wah)  
Watch me walk away (do wah wah)  
Tell, everyone you know (do wah wah)  
I just had to go (do wah wah)  
Tell 'em I (I), I (I), (I, I, I)  
I'm going home. (I'm going home)

Yes, I'm going home (going home)  
Never more to roam (I'm going home)  
Yes, I'm going home, (going home)  
Back where I belong (I'm going home)  
My friends all hope and pray, (going home)  
That I come back someday (I'm going home)  
If I find my way, (going home)  
It's there I'm gonna stay (I'm going home)  
This you can believe  
I'll never ever leave. (I'm going home)

Yes, I'm going home, (going home)  
Back where to I belong (I'm going home)  
Yes, I'm going home, (going home)  
I've been away too long. (I'm going home)...
