

Halfway To Heaven

Conway Twitty

We're halfway to heaven
Don't leave me, now

The angels are singing
Your lips are so near
The bells are ringing
And all 'cause you're hear
Now we're halfway to heaven
Darlin' stay, say you'll stay, with me.

Your heavenly kisses
Could take me there
Oh, don't leave me stranded
My heart's in midair
Now we're halfway to heaven
Darlin' stay, say you'll stay, with me.

Oh, don't you know
The closer you hold me
The closer we'll be
The gates of heaven
Are now in sight
If you really love me
You'll be there tonight
Oh, we're halfway to heaven
Darlin' stay, say you'll stay, with me.

Oh, don't you know
The closer you hold me
The closer we'll be
The gates of heaven
Are now in sight
If you really love me
You'll be there tonight
Oh, we're halfway to heaven
Darlin' stay, say you'll stay, with me
