

# Hallelujah, I Love Her So

Conway Twitty

Let me tell you 'bout a girl I know  
She's my baby and she lives next door  
Ev'ry morning when the sun comes up,  
She brings me coffee in my fav'rite cup  
That's how I know, yes, yes  
Hallelujah, I just love her so. (hallelujah)

When I'm in trouble and I have no friends,  
I know she's with me until the end  
Ev'rybody asks me how I know  
I laugh and say because she told me so  
That's how I know, yes, yes  
Hallelujah, I just love her so. (hallelujah)

Now when I call her on the telephone,  
Tell my baby that I'm all alone,  
By the time I count from one to four,  
I hear her (knocks) on my door.

In the evening when the sun does down,  
And there ain't nobody else around,  
She kisses me and she holds me tight  
And tells me Daddy, ev'ry thing's all right."  
That's how I know, yes, yes  
Hallelujah, I just love her so. (hallelujah)

Now when I call her on the telephone,  
Tell my baby that I'm all alone,  
By the time I count from one to four,  
I hear her (knocks) on my door.

In the evening when the sun does down,  
And there ain't nobody else around,  
She kisses me and she holds me tight  
And tells me Daddy, ev'ry thing's all right."  
That's how I know, yes, yes  
Hallelujah, I just love her so. (hallelujah)

(Man I gotta hear that again)

In the evening when the sun does down,  
And there ain't nobody else around,  
She kisses me and she holds me tight  
And tells me Daddy, ev'ry thing's all right."  
That's how I know, yes, yes

Hallelujah, I just love her so. (hallelujah)

Hallelujah, I just love her so. (hallelujah)

Hallelujah, I just love her so... (hallelujah...)
