

Heart's Breakin' All Over Town

Conway Twitty

Hush, hush
Everyone who had a great big crush
Just hit the ground
Yeah, that's the sound
Of hearts breakin' all over town

Hey, hey, guys, I see you've heard the news
Sooner or later she had to choose
Yeah, we all thought we might be the one
Now, she's gone and tied the knot
And everybody looks so stunned

Hush, hush
Everyone who had a great big crush
Just hit the ground
Yeah, that's the sound
Of hearts breakin' all over town

She had looks and such a charming way
You know, girls like her don't come along every day
She cast a spell you could not resist
Now, all of us are moping around
Crying 'bout the chance we missed

Hush, hush
Everyone who had a great big crush
Just hit the ground
Yeah, that's the sound
Of hearts breakin' all over town

Hush, hush
