

Hound Dog

Conway Twitty

You ain't nothin' but a hound dog, a-baby
Cryin' around my door
You ain't nothin' but a hound dog, a-baby
Cryin' around my door
You've been doin' me wrong, a-baby
You ain't my friend no more.

Don't call me, you're a hot dog, a-baby
Yeah, that was just a lie
Don't call me, you're a hot dog, a-baby
Yeah, that was just a lie
You've been doin' me wrong, baby
You ain't my friend of mine

You ain't nothin' but a hound dog, a-baby
Cryin' around my door
You ain't nothin' but a hound dog, a-baby
Cryin' around my door
You've been doin' me wrong, baby
You ain't my friend no more.

Don't call me, you're a hot dog, a-baby
Yeah, that was just a lie
Don't call me, you're a hot dog, a-baby
Yeah, that was just a lie
You've been doin' me wrong, baby
You ain't my friend of mine.

You ain't nothin' but a hound dog, a-baby
Cryin' around my door
You know you ain't nothin' but a hound dog, a-baby
