

I'll Try

Conway Twitty

Well, if your heartaches are many
And your friends are few
Well, darlin' I, I, I, I sympathize with you.

If your days, your days 're lonely
And your nights are blue
Well darlin' I, I, I, I sympathize with you.

Well, if you want someone to love you
I'll try, oh, how I'll try
Well if you need someone to hold you
Close by his side.
Yea, Yea, Yea.

I'll try, I'll try to hide
The tears that you cry
Well darlin', I, I, I, I sympathize with you.

Well, if you want someone to love you
I'll try, oh, how I'll try
Well if you need someone to hold you
Close by his side.
Yea, Yea, Yea.

I'll try, I'll try to hide
The tears that you cry
Well Darlin', I, I, I, I sympathize with you.

Yea, Yea, Yea, Yea...
