

I'm Not Through Loving You Yet

Conway Twitty

You came to me, and you threw me, with a simple goodbye
I begged your forgiveness but you won't even try.
You just say that its all over, that you'll soon forget
But I still remember, I'm not through loving you yet.

No, I'm not through loving you
I just need some time
To make the plans that we made come true
Now, you are tired of trying and soon I'll regret
That I couldn't hold you
I'm not through loving you yet.

No, I'm not through loving you,
I just need some time
To make the plans that we made come true,
But your tired of trying and soon I'll regret
That I couldnt hold you,
I'm not through loving you yet..
