

# I'm Not Through Loving You Yet

Conway Twitty

You came to me, and you threw me, with a simple goodbye  
I begged your forgiveness but you won't even try.  
You just say that its all over, that you'll soon forget  
But I still remember, I'm not through loving you yet.

No, I'm not through loving you  
I just need some time  
To make the plans that we made come true  
Now, you are tired of trying and soon I'll regret  
That I couldn't hold you  
I'm not through loving you yet.

No, I'm not through loving you,  
I just need some time  
To make the plans that we made come true,  
But your tired of trying and soon I'll regret  
That I couldnt hold you,  
I'm not through loving you yet..
