

I Want to Know You Before We Make Love

Conway Twitty

Sometimes all you need is someone to hold you
Sometimes that's all you're looking for
I'd like to take the time to get to know you
I don't want this time to be like all the times before.

I want to hold you before I make love to you
I want to show you all of my heart
And when I look into your eyes
I want to feel the love inside, you
I want to know you before we make love.

I've learned from all those lonely nights with strangers
It takes time for real love to be found
I feel the invitation of your body
I'd like to look inside your soul before I lay you down.

I want to hold you before I make love to you
I want to show you all of my heart
And when I look into your eyes
I want to feel the love inside, you
I want to know you before we make love.

I want to hold you before I make love to you
I want to show you all of my heart
And when I look into those eyes
I want to feel the love inside, you
I want to know you before we make
Before we make, love...
