

# Lead Me On

Conway Twitty

Once I made a promise  
That I'd never lead you on  
But I feel the yearn to love you  
Even though I know it's wrong

You'll have to take my hand  
And lead me slowly through the door  
I'll be wrong in what I'm doin'  
I can't refuse you anymore

Lead me on  
And take control of how I feel  
I can't do this on my own  
'Cause it's against my will

I need love warm and tender  
In a way, I've never known  
If you want me, I'll go with you  
But you'll have to lead me on

Lead me on  
And take control of how I feel  
I can't do this on my own  
'Cause it's against my will

But I need love warm and tender  
In a way, I've never known  
If you want me, I'll go with you  
But you'll have to lead me on
