

(Lost Her Love) On Our Last Date

Conway Twitty

It's over our love affair
Too late now I find I care
Her sweet love
Never more I'll share

Now she's gone, I'm alone
I was wrong should have known
Took her home
After our last date

I searched for a simple way
To tell her what I had to say
I kissed her
Then I turned away

Set her free foolishly
Destiny, misery
Tragedy on our
Last date

Took my ring
From my trembling finger
Brushed the tears
From my baby's eyes

Walked away didn't know
That I'll soon miss her so
I guess I was too
Young to realize

So blind I couldn't see
How much she really meant to me
And that soon she
Would always be

On my mind in my heart
I was blind from the start
Lost her love
On our last date
