

My Heart Knows

Conway Twitty

You keep saying you love me and I know it's not true
You just don't want to hurt me I respect that in you
You're in love with another and you won't let it show
Oh I hate to admit it but it's sure my heart knows
I thought I'd won when he lost you I thought you'd forget
But there's still one old mem'ry that you haven't lost yet
I know I'd die when I lose you I know I won't let you go
For you'd never be happy this is true my heart knows

So goodbye and God bless you I'm setting you free
Just to know you'd be happy means so much to me
I know I'd die when I lose you I know I must let you go
For you'll never be happy this is true my heart knows
