Proud Mary

Conway Twitty

Left a good job in the city a workin' for the man every night a nd day

And I never lost a minute of sleep While worryin' bout the way things might have been The big wheels keep on turnin' Proud Mary keeps on burnin' Rollin' rollin' on the river

Cleaned a lot of plates in Memphis copped a lot of cane down in New Orleans

But I never saw the good side of the city till I hitched a ride on a river boat queen $\$

The big wheels keep on turnin'...

If you come down to the river I bet you gonna find the people w ho live

You don't have to worry if you have no money people on the rive r are happy to give

The big wheels keep on turnin'...

Rollin' rollin' on the river rollin' rollin' on the river
