

Today I Started Loving You Again

Conway Twitty

Today I started loving you again
I'm right back where I've really always been
I got over you just long enough to let my heartache mend
And today I started loving you again

What a fool I was to think I could get by
With only these few million tears I cried
I should have known the worst was yet to come
And crying time for me had just begun
Today I started loving...
And today I started loving you again
