

We Had It All

Conway Twitty

I can hear the wind blowin' in my mind
Just the way it used to sound through the Georgia pines
And you were there to answer when I called
You and me Lord knows we had it all

Remember how I used to touch your hair?
While reaching for the feelin' that was always there
You were the best thing in my life I can recall
You and me, we had it all

I know that we can never live those times again
So I let these dreams take me back where we've been
Then I stay there with you just as long as I can

Oh, it was so good, oh it was so good
Oh, it was so good, so good
Oh, it was so good when I was your man

I'll never stop believin' in your smile
And even though you didn't stay it was all worth while
You were the best thing in my life I can recall
You and me Lord knows we had it all
Yeah, you and me, we had it all
