

Window Up Above

Conway Twitty

I've been living a new way of life that I love so
But even now the clouds're gathering and the storm will wreck o
ur home
I thought we belonged together that our hearts fit like a glove
I was wrong for I've been watching from the window up above
You must have thought that I was sleeping and I wish that I had
been
But it's best to get to know you and the way your heart can sin
For last night he hugged you tightly and you didn't even shove
This is true for I've been watching from the window up above

From my eyes the teardrops started as I listened on and on
I heard you whisper to him softly that our marriage was all wro
ng
Well I hope he makes you happy that you'll never lose his love
But I was wrong for I've been watching from the window up above
How I wished I could be dreaming and wake up to a love that's t
rue
I was wrong for I've been standing at the window watching you
