

Working Girl

Conway Twitty

Working girl working girl I love you working girl and all the things that you do
Oh I don't know what I would do if you should up and leave just sit and grieve
Sit and grieve working girl

Working man you've got money all the time
Working man pay my debt and treat me fine
Oh I don't know if I could take it if you should up and go I love you so
I love you so working man

She give me money when I'm down working girl
She takes me out on the town working girl
Each time I think it's over she makes me see hm she loves just me
Only me working girl

Buy me rings expensive things working man
Pretty boots a swinging clothes working man
Shiny car a new guitar and that ain't all
When I'm with you I walk real proud you walk real tall
Working girl working girl I love you working man I love the things that you do
