

You Love The Best Out Of Me

Conway Twitty

I would just like to say dear thank you for making my life all
it should be
Life's not the same your love has changed dear you love the best
out of me
You are my dreams coming true I'm doing everything I've ever wanted
to do
You've made me all I've ever wanted to be you love the best out
of me

There's not a place I'd rather be than with you
I'll never want for nothing more than now I see
A piece of mind all the time I'm with you you love the best out
of me
You are my dreams...
You've made me all I've ever wanted to be you love the best out
of me
