

So Shall It Be

Cool Hand Luke

Stand and lift your head.
Redemption is drawing near.
The armies of heaven,
are riding in the air.

Look into the clouds,
every eye will see,
Christ coming down.
So shall it be.

Like lightining through the sky,
everyone will know,
Jesus is alive,
and reigns forevermore.

Look into the clouds,
every eye will see,
Christ is coming down.
So shall it be.

Christ coming down, so shall it be.

Halleluah (18x)
