

The Foster

Cool Hand Luke

The wisest words I ever heard
Came with a gentle wind
Though it didn't hit me then
It made no sound
'Til no one was around
Then it blew me to my knees
And handed me the keys
Go, just go where the peace is
You always know if you seek it
Go, just go where the peace is
You always know if you seek it
I know the truth
I can show it to you
Or anybody else
But can't apply it to myself
I already know which way to go
If I stop and breathe the air
The answer is right there
Go, just go where the peace is
You always know where to seek it
Go, just go where the peace is
You always know if you seek it
You can fight
You can try with all your might
It may be the hardest thing
But it's the only way to peace
Close your eyes
Count to ten
Take a deep breath and try again (x's 2, then in
background)
You have access
By one Spirit (Ephesians 2:18)
Go, just go where the peace is
You always know where to seek it
Go, just go where the peace is
You always know if you seek it
