

Careful Now

Copeland

Oh, maybe you should make a list for me
Of everything important in this world
In a note of urgency
'Cause I don't know how to feel

Maybe you should stay a mystery
And I know you as well as anyone else
And you will appear the same to me
'Cause I don't know how to feel

Ooooh, ooooh...

Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone else

Oh, maybe you should make a list of me
Of everything important in this world
In a note of urgency
'Cause I don't know how to feel

I threw everything out that doesn't make sense
To find a thousand more things that don't make sense
And I can't help but get lost in a fault like this
When I don't know how to hide myself in open air
Where I'm all alone, alone, alone

Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone
Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone else

Ooooh, ooooh....

Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone
Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone else
