## **Careful Now**

Copeland

Oh, maybe you should make a list for me Of everything important in this world In a note of urgency 'Cause I don't know how to feel

Maybe you should stay a mystery And I know you as well as anyone else And you will appear the same to me 'Cause I don't know how to feel

0000h, 0000h...

Careful now, you'll hurt yourself Careful now, you'll hurt, you'll hurt someone else

Oh, maybe you should make a list of me Of everything important in this world In a note of urgency 'Cause I don't know how to feel

I threw everything out that doesn't make sense To find a thousand more things that don't make sense And I can't help but get lost in a fault like this When I don't know how to hide myself in open air Where I'm all alone, alone, alone

```
Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone
Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone else
```

0000h, 0000h....

```
Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone
Careful now, you'll hurt yourself
Careful now, you'll hurt, you'll hurt someone else
```
