

# She Could Be

Corbin Bleu

She comes inside  
Been playing football with the guys  
She's all high fives  
And dirty footprints on the floor  
Next thing I know,  
She's hanging out  
She's got her dress and high heels on  
And we're alone, I couldn't ask for nothing more

And I love  
(I love the way)  
A simple smiles reveals it all  
She calls my name...

She could be all I'm ever gonna need  
She's like a beauty queen  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
She could be, She could be, She could be  
Mmmhmm

It's Friday night  
And her friends are home by nine  
We hit the show, tip the bouncer, skip the line  
Next thing I know, we're out the door  
And now she's dancing in the rain, a fragile flame  
Under the pale blue colored light

Oh, I love the way  
This girl is not afraid to fall  
She calls my name...  
(She's callin' out to me)

She could be all I'm ever gonna need  
She's like a beauty queen  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
She could be, She could be, She could be

That one in a hundred million  
A secret the world's been keeping  
The music that keeps repeating,  
Keeps repeating inside your mind  
Like an angel on your shoulder  
That makes your colors bolder than you dare  
And you want to take her everywhere

She could be  
Yeah yeah

Oh, She could be all I'm ever gonna need  
She's like a beauty queen  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
(just the one, just the one I've waited for)

Could be a perfect score and more  
She could be, She could be, She could be, yeah

She could be all I'm ever gonna need  
She's like a beauty queen (oh baby)  
In just her t-shirt and her jeans  
She could be just the one I've waited for  
Could be a perfect score and more  
Yeah, She could be, she could be, She could be
