Stop

Corbin Bleu

Ha!
O0oh ooh oh o0oh oh 0h

I'm chillin' with my guys,
We steppin' out tonight,
Hit a spot that's looking fly
You know we keep it tight,
Hop on my ride it's on
I got my Vans and my shades on,
Hit the floor, I hear my song,
And then I see this girl,
And I'm like HOLD UP wait,
I see the most beautiful (this) girl, in the world,
Turning heads all up in this party,
She's dancing to the beat,
I nearly lost my feet,
Standing trying to keep the groove,
But what I really need to do is...

Stop
I know I oughtta stop,
But I don't wanna stop,
Your making it hard for me
Stop
I know I oughtta stop, (stop!)
But I don't wanna stop,
Your making me loose the beat,
You got me girl...

You know I must admit,
This girl she got me spent,
I never lose my groove,
But this girl, she's got moves,
Not to mention her eyes,

They've got me mesmerized,
And I gotta make her mine
And keep her dancin' by my side,
HOLD Up wait,
I love the way she takes it to the floor,
I'm like wow! (wow!)
Turning heads all up in this party,
She's dancing to the beat,
Still trying to catch my feet
I gotta keep it smooth,
But what I really need to do is:

She's doing it again,
Making me lose again, she knows what she's doing to me,
She's winking her eye,
I think right now is the time to make her mine..

..(get em J)... yeah you gotta play it smooth, knowing you and her I can tell you the right two,
I'm looking at her now and I can tell that she likes you, and you can make it work if you put on
The right moves, so chance, go on and take those hands, ... , she wanna

Move and be closer to you, so go on over there and do what ever you do...

Stop. (stop, I know I oughtta)
I know I oughtta stop, (but I don't wanna, (stop!))
But I don't wanna stop,
Your making it hard for me... (the things you do to me)
Stop. (so stop!)
I know I oughtta stop, (but I don't wanna)
But I don't wanna stop,
Your making me loose the beat,
You got me girl...
(I know I oughtta, but I don't wanna stop)
(my body's telling me to stop)
(but my heart is saying don't you stop!)
(ha! hey girl).
