

April 25th

Corey Crowder

It's a long hard walk
But I bet it's worth the miles
And I'd rip the walls apart
If I knew it'd be worth my while

Are you talkin' to me
Are you talkin' to me in a whisper
Are you talkin' to me
When I'm waitin' for a smile

Bring a pole and we'll talk
Step out over the memories
Don't look down or you'll fall
Wishin' life wasn't make believe

Are you talkin' to me
Are you talkin' to me in a whisper
Are you talkin' to me
When I'm waitin' for a smile
(Are you talkin' to me when I'm waitin')
[Smile]
(Are you talkin' to me when I'm waitin')
[Smile]
(Are you talkin' to me when I'm waitin')
[Are you talkin' to me]
(Are you talkin' to me)

Are you talkin to me
(Are you talkin' to me)
Are you talkin to me in a whisper
(Are you talkin' to me)
Are you talkin' to me
When I'm waitin' for a smile
