

Is It Too Late

Corey Hart

Little brother watches back from the corner of the sky
He can see the world
Little brother watches Jack at the factory
Draw the flags unfurled
Little brother watches back when the mercenary
Dances with it's prize
Little brother watches Jack build machinery
So we can modernize
And are we pullin' it down?
Is it too late?
Have we hit the ground?
No don't give it up
Don't give it up; don't give it up
Don't give it up
O no no, O no no
O no no now
Little brother watches back when the nation's
Of the world bless and sanctify
Little brother watches Jack tell his kid
To stop asking why
Little brother watches back to the day of judgment
When we must decide
Little brother watches Jack buy and sell the soul
That he has wrought inside
And are we pullin' it down?
Is it too late?
Have we hit the ground?
No don't give it up
Don't give it up
I said don't give it up, don't give it up
O no no
Said no no no no no no no-o
Said no no no ah
And are we pullin' it down?
Is it too late?
Have we hit the ground?
No don't give it up
Don't give it up
I said don't give it up
O no don't give it up
O no no
O no no
Said no-o-o, no, no, no
No-o
Little brother watches back
Little brother, he's watching back
There goes Jack at the factory
O
O no no no
Bless and sanctify
Bless and sanctify
