

Kisses On The Train

Corey Hart

(Voulez-vous baisser avec moi?)
(Voulez-vous baisser avec moi?)
My heart is spinning like a roller coaster
Is this amusement park open for free?
My heart is twisted like a winding river
Is there a way to the sea?
One summer evening with the rain softly falling
The forgiving sky was your sweet mystery
Dancin' through minefields
To cover your tracks dear
There's just one thing that I need to know
(Voulez-vous baisser avec moi?)
There's just one thing that I need to know
(Voulez-vous baisser avec moi?)
The subject of your?
Kisses on the train
Please explain your kisses on the train
(Where tears do fall from the sky)
You know those tears do (fall from the sky)
How low the fortunes pay a wounded lover?
The silent pain of love's duplicity
Was this a careless moment
Etched in stone forever
I thought the truth set you free
So, day after day, I'm haunted by the same image
For all of my life I'm searching endlessly
You lay the tracks of your own destination
There's just one thing that I need to know
(Voulez-vous baisser avec moi?)
Well there's just one thing that I need to know
(Voulez-vous baisser avec moi?)
The subject of your?
Kisses on the train
Please explain your kisses
Where the tears do (fall from the sky)
You know those tears do fall from the (sky)
Kisses
My heart is spinning like a roller coaster
My heart is twisted like a winding river
And is there a way to the sea?
Those kisses
I want I want I want all those kisses
You know baby I want those kisses
Oh no you know that I want some
I said baby you know I want some
I want, I want those kisses
Oh
Voulez-vous baisser avec moi?
Voulez-vous baisser avec moi?
