

Never Surrender

Corey Hart

Just a little more time
Is all we're asking for
'Cause just a little more time
Could open closing doors
Just a little uncertainty
Can bring you down

And nobody wants to know you now
And nobody wants to show you how

So if you're lost and on your own
You can never surrender
And if your path won't lead you home
You can never surrender

And when the night is cold and dark
You can see, you can see light
Cause no one can take away your right
To fight and to never surrender

With a little perseverance
You can get things done
Without the blind adherence
That has conquered some

And nobody wants to know you now
And nobody wants to show you how

So if you're lost and on your own
You can never surrender
And if your path won't lead you home
You can never surrender

And when the night is cold and dark
You can see, you can see light
'Cause no one can take away your right
To fight and to never surrender
To never surrender

And when the night is cold and dark
You can see, you can see light
No one can take away your right
To fight and to never surrender
To never surrender

Oh, time is all we're asking for
To never surrender
Oh, oh, you can never surrender

Time is all you're asking for
Stand your ground, never surrender
Oh, oh, oh, oh, I said
You never surrender, oh
