

# Like a Star

Corinne Bailey Rae

Just like a star across my sky  
Just like an angel off the page  
You have appeared to my life  
Feel like I'll never be the same

Just like a song in my heart  
Just like oil on my hands  
Oh, I do love you

Still I wonder why it is  
I don't argue like this  
With anyone but you  
We do it all the time  
Blowing out my mind

You've got this look I can't describe  
You make me feel like I'm alive  
When everything else is a fade  
Without a doubt you're on my side

Heaven has been away too long  
Can't find the words to write this song  
Oh, your love

Still I wonder why it is  
I don't argue like this  
With anyone but you  
We do it all the time  
Blowing out my mind

I have come to understand  
The way it is, it's not a secret anymore  
'Cause we've been through that before  
From tonight I know that you're the only one  
I've been confused and in the dark, now I understand

I wonder why it is  
I don't argue like this  
With anyone but you  
I wonder why it is

I won't let my guard down  
For anyone but you  
We do it all the time  
Blowing out my mind

Just like a star across my sky  
Just like an angel off the page  
You have appeared to my life  
Feel like I'll never be the same  
Just like a song in my heart  
Just like oil on my hands
