

# No Love Child

Corinne Bailey Rae

There's no love  
There's no lovechild  
There's no love baby  
There's no love for your child

Well I've been searching high  
I've been searching low  
Feel this completeness  
Everywhere that I go  
Maybe if I just keep walking, walking, walking  
Through my mind I'll stumble on it somewhere  
And somehow in this space and time  
I will lose my worrying mind

Where's the love  
Where's the love  
Where's the love  
Where's the love

And the sunlight hurts my eyes  
I got to open what's inside  
I saw this feeling  
I got to hide  
Pulling down my pride  
Precious love I hold inside  
Strangers eyes smile wide at me  
Been looking for peace of mind  
I've been looking in the wrong direction

Oh,  
Give me your love sweet baby  
Give me your love sweet child  
Give me your love sweet baby  
Give me your love sweet child

Give me your love sweet baby  
Give me your love sweet child (14x)
