

## Till It Happens to You

Corinne Bailey Rae

I know what I said  
Was heat of the moment  
But theres a little truth in between the words we've spoken  
Its a little late now to fix the heart thats broken  
Please don't ask me where I'm going  
Cause I don't know  
No I don't know anymore

It used to feel like heaven  
Used to feel like may  
I used to hear those violins playing heart strings like a symph  
ony  
Now they've gone away  
Nobody wants to face the truth  
But you wont believe what love can do  
Till it happens to you  
Till it happens to you

Went to the old flat  
Guess I was trying to turn the clock back  
How come that nothing feels the same now when I'm with you  
We used to stay up all night in the kitchen  
When our love was new  
Oooh love I'm a fool to believe in you  
Cause I don't know  
No I don't know  
Anymore

It used to feel like heaven  
It used to feel like may  
I used to hear those violins playing heart strings like a symph  
ony  
Now they've gone away  
Nobody wants to know the truth  
Until their hearts broken  
Don't you dare tell them  
What you think to do  
Till they get over  
You can only learn these things  
From experience  
When you get older  
I just wish that someone would have told me  
Till it happens to you  
Till it happens to you  
Till it happens to you
