

# Don't Go Breaking My Heart

Corona

Don't go breaking my heart  
Oh baby, love me now  
Now I know, I need you more and more  
Don't go breaking my heart  
Oh darling, tell me now  
Now your love is gonna save my life

Don't go breaking my heart  
Oh baby, love me now  
Now I know, I need you more and more  
Don't go breaking my heart  
Oh darling, tell me now  
Now your love is gonna save my life

Don't go breaking my heart  
Oh baby, love me now  
Now I know, I need you more and more  
Don't go breaking my heart  
Oh darling, tell me now  
Now your love is gonna save my life

Don't go breaking my heart  
Oh baby, love me now  
Now I know, I need you more and more
