

I Gotta Keep Dancin'

Corona

I gotta keep dancin'
Smiling
To keep from breaking apart
I gotta keep dancin'
Smiling
To cover up my broken heart

I began to spin
Please help me pretend, that I don't see
Just walked in the door
I'm weak in the knees
But I gotta make believe that I'm hurt- free
I just can't let him know

That my heart is, breaking apart
Music rescue me

I gotta keep dancin'
Smiling
To keep from breaking apart
I gotta keep dancin'
Smiling
To cover up my broken heart

Don't let the music stop
I've gotta camouflage my feelings
He's not here with me
I should've know
That I never should've come, to the party
And just listen to the beat
Music can you, take me away
Help me hide my face

Keep on dancin', do do do do do do yeh
Keep on smiling, do do do do do do yeh
