

Internal Conflicts

Coroner

I will crush my skull, when I feel like doing it
I will break my bones, when I feel like doing it
I will cut my veins, when I feel like doing it
I will shred my skin, when I feel like doing it
Yeah!

Self destruct

I will smash my teeth, when I feel like doing it
I will slash my face, when I feel like doing it
But I never
But I never will touch you
