Serpent Moves

Coroner

[I'm moving "ahead", I'm changing "my mind"] x 2
[I'm moving "ahead", I'm changing ~ ~ ~] x 2

I might
Find myself
Out in
The desert's land
Raise the moon
Call the dead
Touch the sky
Curse the sand

[I'm moving "ahead", I'm changing "my mind"] x 2
[I'm moving "ahead", I'm changing ~ ~ ~] x 2

I might
Leave myself
Out in
The desert's land
Like the serpent
Glides from its skin
With gentle moves
On floors of sin
